The screenshot shows the ACT Online Prep Testing Center interface. On the left is a sidebar with a 'Testing Center' menu containing options like 'Take the Diagnostic Test', 'Take/Review Practice Test', 'Review Your Scores', 'About The ACT', 'Test Taking Strategies', 'Interpreting Score Reports', and 'College Readiness Standards'. Below the menu are 'help', 'main menu', and 'quit' buttons. The main content area is titled 'Testing Center: Review Your Scores' and displays two columns for 'Practice Test 1' and 'Practice Test 2'. Each column shows 'Started:' and 'Completed:' fields, followed by scores for English (1-36), Mathematics (1-36), Reading (1-36), Science (1-36), Composite (1-36), and Combined English/Writing (1-36). Below these are 'Writing Test 1 (2-12)' and 'Writing Test 2 (2-12)' sections. A note at the bottom explains that the Combined English/Writing score reflects performance on both the English Practice Test and the Writing Practice Test, and provides instructions on how scores are combined for different test-taking scenarios.
