**Student’s Score Range**
- The student's ACT College Readiness Benchmark on this subject test would typically perform.

### Ranking Results

The student’s ranks tell you the approximate percentages of recent high school graduates in the US and your state who took the ACT® test and received scores that are the same as or lower than the student’s scores. For example, a rank of 56 for the student’s Composite score means 56% of students earned that Composite score or below.
