Where Are You Going?

Go to www.actprofile.org to learn more about yourself and find out about careers, majors, and colleges that may be right for you. It’s free!

Consider retaking if one or more of the following applies to you:

Do you feel that your scores should be higher than those received?

Did you have any problems during the tests, like misunderstanding the directions or feeling ill?

Have you taken more coursework or an intensive review in the areas covered?

Do you want to apply to a college that requires or recommends the writing test?

College and Career Planning

Where are you going? Knowing your interests can help you find the kinds of majors and occupations that may be right for you. Occupations differ widely in how much they involve working with four basic work tasks: Data, Ideas, People, and Things. Before you took the ACT, you completed an interest inventory. Your results point to occupations that involve the kinds of basic work tasks you prefer. Visit www.actprofile.org to learn more.

Interest–Major Fit

Do your interests fit the college major you plan to enter? Based on information you provided, you plan to enter Accounting.

Your interests are fairly similar to the interests of college students in the major you plan to enter. Students in majors that fit their interests are often more satisfied with their major.

REQUESTING A COPY OF YOUR TEST QUESTIONS AND ANSWERS

If you tested on one of the test dates below, you can order a Test Information Release (TIR) for an additional fee. Fee information is located at www.act.org/the-act/terms. Through TIR, you receive a copy of the multiple-choice test questions used to determine your scores, a list of your answers, and the answer key. If you took the writing test, you also receive a copy of the writing prompt, scoring guidelines, and the scores assigned to your essay. Information about ordering a photocopy of your answer document (including your essay if you took writing) for an additional fee will be included with your materials.

- Saturday, December 9, 2017 (March 12, 2018)
- Thursday, April 12 through Monday, April 16, 2018 (July 16, 2018)
- Saturday, June 9, 2018 (September 10, 2018)

If you ordered a TIR when you registered, materials are mailed about four weeks after scores are reported. You can also order a TIR for three months after you took a test. Proctored test dates are in parentheses above. You can download the order form at www.act.org/the-act/tir.

This service is not offered on any other test dates or through other testing programs (e.g., International, State and District Testing). If for any reason ACT has to replace the test form scheduled for use at your test center, this offer becomes void, and ACT will refund your fee for this service.

SCORE VERIFICATION SERVICE

You can ask ACT to verify your multiple-choice and/or your writing test scores up to twelve months after your test date. A verification request form is available at www.act.org/the-act.ver. You will need to complete the form and mail it to ACT Customer Care

PO Box 414
Iowa City, IA 52243-0414, USA

Include your name as given at the time of testing, address, and date of birth, as well as your ACT ID, test date (month and year), and test location from your score report. Enclose a check payable to ACT Customer Care for the applicable fee. For multiple-choice tests, ACT will verify that your responses were checked against the correct score key. For writing tests, ACT will verify that your essay was scored by at least two independent, qualified readers and by a third reader in the event that the two scores differed by more than one point in any domain. ACT will also verify that your essay was properly captured and displayed to readers. If errors are found during score verification, ACT will re-score your essay. ACT will inform you by letter of the results of the score verification about three to five weeks after receiving your request. If a scoring error is discovered, your scores will be changed and corrected reports will be released to you and all previous score report recipients at no charge. In addition, your score verification fee will be refunded.

When you registered for or took the ACT test, you consented to the collection of personally identifying information and its subsequent use, transfer, and disclosure, as described in the ACT Privacy Policy. Individual Score Reviews

If ACT discovers any reason to believe your score may be invalid—including existence of unusual similarities in the answers of you and another examinee, evidence that you may have falsified your identity or impersonated someone else, evidence of possible advance access to test questions or answers, or other indicators the test scores may not accurately reflect your level of educational achievement—ACT may conduct an Individual Score Review. ACT reserves the right to cancel test scores when there is reason to believe the scores are invalid. Proof of misconduct is not required to cancel scores.

Compromises/Disruptions in the Testing Process – Limitation of Remedies

ACT takes steps that are intended to ensure that test registrations are correctly processed, tests are properly administered, tests and answer documents are properly handled and scored, and scores are properly reported. In the unlikely event there is an error or other occurrence that compromises or disrupts the testing process, ACT will examine the situation and determine whether it needs to take action, including not scoring answer documents or canceling scores. If ACT determines that it needs to take action in response to any such error or disruption in the testing process, ACT will in its sole discretion (1) correct the error if an error occurred and ACT believes correction is feasible, (2) not score answer documents or cancel scores and offer a refund if the person to whom the test is administered is not charged for taking the test at all, (3) or not score answer documents or cancel scores and offer a refund. To take such action, ACT shall not be required to conduct an Individual Score Review or otherwise demonstrate that a compromise or disruption invalidated your specific score. Decisions made by ACT regarding such compromises or disruptions in the testing process are final. If ACT offers a retest and you select that option (or it is selected for you in State and District testing), you must retain all four multiple-choice tests to produce a valid Composite score. If you took the writing test on the original test date, you may also need to retake the writing test in addition to the four multiple-choice tests to produce a valid English Language Arts score. For State and District testing: In the event of compromises/disruptions in the testing process, ACT may offer the option to retest at no additional fee or it may cancel the test event without an option for retest.

It is important that ACT ensure that reported scores are not affected by an irregularity, and that ACT inform anyone who has received a score report that the score may not accurately reflect a person’s academic achievement and skills. You, therefore, agree to inform anyone who has received a score report, or who may receive a score report, that the score may not accurately reflect a person’s academic achievement and skills. You also agree not to use ACT information for any purpose not authorized by ACT, such as law enforcement, state departments of education, and local school officials. You agree that ACT will have no liability for exercising any of these rights.

The remedies listed in this section are the exclusive remedies available for any examinee who experiences an irregularity in the testing process. In no event shall ACT be liable to an examinee for any special, indirect, consequential, exemplary, or punitive damages.

Retention Policy

We keep registration records for five years, answer documents for at least one year, and test scores indefinitely. For more information on using your ACT results, visit www.act.org/the-act/scores.

You may also request to be present for verification of your multiple-choice responses—without access to the test questions—at an ACT-designated location. Additional fees will apply.

CORRECTING ERRORS ON YOUR REPORT

If you think there is an error in information other than your scores or you want to change information (e.g., address change) within three months of receiving your scores, write to:

ACT Customer Care
PO Box 414
Iowa City, IA 52243-0414, USA

If an error is found to have been made by ACT and requires you to retest, it will be at the expense of ACT. If no error is found to have been made by ACT and does not involve retaking or corrected score reports will be sent to you and all previous score recipients at no charge. If an error is not found to be made by ACT and you wish to send corrected reports, you must request and pay for Additional Score Reports.

We regularly present reports on the technical characteristics of the ACT tests. A PDF copy of the ACT Technical Manual can be found at www.act.org/the-act-resources.
