ACT® WorkKeys® Curriculum helps people build the essential skills employers demand in today’s competitive business environment. It is the only curriculum built from the ground up to align with the WorkKeys National Career Readiness Certificate® Assessments.

**Personalized:** Each course has a pre-course placement screener to suggest an appropriate starting point for each learner to begin working within the lessons.

**Intuitive:** Each course has distinct, but linked modules for Level 3, Level 4, Level 5, Level 6, and Level 7 skills.

**Effective:** Each course offers end-of-level quizzes to check for mastery of content at each level within the course.

**Interactive:** Each level module contains multiple topics, and most include opportunities for learners to practice skills via embedded, interactive components.
The Platform: The courses are delivered via a personalized, mobile-based learning management system. The platform delivers a meaningful learning experience and provides users with a customized study schedule and detailed instructional content.

Customizable, automatically adjusting study schedule providing users with a daily goal to keep on track.

Dynamic dashboards featuring Student Status charts and Strengths & Weaknesses gauges. Confidence-based self-evaluation give students ownership over their learning experience.

Quizzes section is designed to simulate the real testing environment.
- Interactive study tools
- Embedded interactives
- Modern user interface

Advanced, actionable data about their performance on practice questions and practice test questions over time.

OTHER CURRICULUM OPTIONS

KeyTrain
KeyTrain is designed to help people master applied workplace skills such as business writing, teamwork, applied technology and workplace observation. It includes diagnostic placement tools and powerful reporting capabilities and can be used by instructors to supplement and enrich the classroom experience or as standalone, self-paced instruction.

Career Ready 101
Expands on the KeyTrain curriculum to offer additional modules and an integrated approach to exploring careers and their skill requirements. Through Career Ready 101, learners will build workplace and life literacy skills such as financial awareness, career exploration, interpersonal communication and problem-solving.
