### Test Content

The ACT consists of multiple-choice questions in English, math, reading, and science. The ACT test takes approximately 3 hours and 35 minutes to complete, including a short break. The ACT offers an optional 40-minute writing test that most international students select.

### Why take the ACT

- The ACT is reliable and consistent. Students and universities have relied on ACT scores for more than 50 years to determine how well prepared students are for university courses.

- The ACT provides a STEM score to indicate readiness for university courses in science, technology, engineering, and math.
- The ACT Score Report provides recommendations for university majors that fit your interests, abilities, and values.

### Your ACT scores

- Your scores can make you eligible for merit-based scholarships.
- Send your scores to up to four universities at no additional cost.
- If taking the ACT test more than once, you select which test date results to send to the schools of your choice.
