

Do your best on the test with

# The Official ACT Prep Guide

## Need useful advice and test-taking strategies to help you do your best on the test?

*The Official ACT Prep Guide* is your guide to this year's ACT® test, from the makers of the test. A best-selling resource for students getting ready to take the ACT, the guide walks you through the entire test experience step by step, from registration to your comprehensive Score Report, and provides you with effective test-taking strategies.

The guide includes three actual ACT tests—all of which contain the optional writing test—that you can use to practice at your own pace. To help you better review test subjects and improve your understanding, the guide provides:

- Clear explanations for every answer
- Tips for boosting your score on the English, math, reading, and science tests as well as the optional writing test
- Expert advice from the test's creators on preparing both mentally and physically
- A review of the entire content of the ACT and the procedures you'll follow so you'll know what to expect
- Information on the types of questions you can expect to find on the test
- Test-taking strategies that are right for you

Armed with the information and strategies outlined in *The Official ACT Prep Guide*, you can feel comfortable and confident that you're ready to do your best on the test.
