Your MyACT account will be used to register for test events, prepare for testing, view and send test scores, explore colleges and careers, and college planning. You can also purchase test prep materials through your account or access ACT’s free test prep materials.

When you navigate to myact.org for the first time, you will be greeted with a welcome screen that introduces MyACT.

Select “Continue” to proceed.
Creating an ACT account for the first time (no previous scores)

Go to myact.org.

Select “Create MyACT account.”

Select “I’m new! Let’s get started.”
Enter the following information:

- Name on your photo ID
- Date of Birth
- Email
- Country
  Home Address fields will appear based on country chosen
- Phone
- Create a new Password
- Check that you understand the ACT Privacy Policy

Select “Verify by Email” or “Verify by Text.”

Select where you want your verification information sent.

- If the information is incorrect select “No—I’ll fix it...”
- If the information is correct select “Yes—send it there!”
You will be sent a verification code that you will need to activate your account.

Enter the code that was sent to you then select “Complete my Account.”

Once verification is complete, you can log into MyACT with your new account.
Previously used Google Single Sign On with your MyACT account

ACT is improving Customer Support access to your web account by removing Google Single Sign On functionality from MyACT. If you used this feature, please click the “Forgot Password?” link to update your account.

Enter the email address you used to create your account and select “Reset Password.”

A code will be sent to the email address linked to your account. Input the code within one hour to update your password.
You have ACT test scores, but do not have a MyACT account

Typically, this situation is for students who took the ACT through their school on a weekday and did not create a MyACT account. By creating a MyACT account, you will be able to access ACT scores, plus all the features MyACT offers!

Go to myact.org.

Select “Create MyACT account.”

Select “I registered or tested before.”
Select: “I have **never** accessed my scores online.”

Enter the following information to find your previous scores:

- Full Name
- Date of Birth
- ACT ID
  *(Found on your printed score report)*
- Month and Year of Test

Select “Continue.”
Migrating ACT Student Web Account to MyACT

Typically, this is for students who previously had an ACT Student Web Account. Your former ACT Student Web Account will be migrated to MyACT. You will be able to access your previous ACT scores, plus all the features MyACT offers!

Go to myact.org.

Select “Create MyACT account.”

Select “I registered or tested before.”
Select “I have accessed my scores online before.”

Enter User ID and Password you used with your ACT student web account.

Select “Sign In.”
Migrating ACT Student Web Account but forgot User ID or Password

If you forgot your ACT student web account User ID or Password select “Forgot User ID?” or “Forgot Password?”

You will be redirected to a page that links to your ACT student web account where you can make the necessary changes. You will then use the updated credentials to login to MyACT and migrate your accounts.

Forgot User ID requires:
• Student’s First Name
• Student’s Last Name
• Email Address on File

Forgot Password requires:
• Student’s User ID
• Email Address on File

Notes:
• If you no longer have access to the email you used to create your ACT student web account, contact ACT for further assistance.
• You will not be able to sign into your old ACT student web accounts. You will only be able to update your login credentials.
