

MYACT

QUICK START GUIDE

In order to register for the ACT, both national and international students will create a MyACT student account by going to myact.org.

In addition to registering for the ACT, MyACT accounts can also be used to prepare for the test, view and send test scores, explore colleges and careers, and college planning. Students can also purchase prep material through their account or access our free test prep material.

- Student has a previous account and needs to update to MyACT, page 2
- Student has ACT test scores, but doesn't yet have an account, page 4
- Student has never taken the ACT before and is creating an account for the first time, page 6
- Forgot User ID / Password, page 9

When students navigate to myact.org for the first time, they will be greeted with a welcome screen that introduces the new system.

Select “continue” to proceed.

Student has a previous account and needs to update to MyACT

Typically, this is for students who previously had an ACT Student Web Account. Your former ACT Student Web Account will be migrated to MyACT. You will be able to access your previous ACT scores, plus all the new features MyACT offers!

Go to myact.org

Select "Create MyACT Account"

Select "I registered or tested before"

Select "I have accessed my scores online before"

Student has ACT test scores, but doesn't yet have an account

Typically, this is for students who took the ACT through their school on a weekday, without creating an ACT Student Web account. You will be able to access your previous ACT scores, plus all the new features MyACT offers!

Go to myact.org

Select "Create MyACT Account"

The screenshot shows the ACT MyACT login page. At the top left is the ACT logo. The main content area is split into two white boxes. The left box is titled "Welcome To MyACT" and contains the text "Don't have an account?" and a blue button labeled "Create MyACT account". This button is highlighted with a red border and a red line points from the text "Select 'Create MyACT Account'" to it. The right box is titled "Sign in" and contains fields for "Email address" and "Password", a "Forgot Password?" link, a "Sign In" button, and a "Sign In with Google" link. At the bottom of the page, there is a "Need help?" section with a link to "See FAQs or Contact us."

Select "I registered or tested before"

The screenshot shows the ACT MyACT account creation page. At the top left is the ACT logo. The main content area is a white box titled "Create MyACT account" with a back arrow in the top left corner. It contains two options: "I registered or tested before" (highlighted with a red box and a red line pointing from the text "Select 'I registered or tested before'") and "I'm new! Let's get started". Below these options is a link: "Already have a MyACT account? Sign in". At the bottom of the page, there is a "Need help?" section with a link to "See FAQs or Contact us."

Select “I have **never** accessed my scores online”

Create a new Password

I understand that by creating an account, I consent to the processing of my personally identifying information, including the collection, use, transfer and disclosure of information, as described in the [ACT Privacy Policy](#).

To complete account creation, verify your account by email or text message. We will use your chosen method for any future password recovery.

Verify by Email Verify by Text

Need help?
See [FAQs](#) or [Contact us](#).

Verify where you want your verification information sent.

- If the information is incorrect select “No, I will fix it”.
- If the information is correct select “Yes send it there”.

Is this where we should send your verification?

sampleactstudent@mailinator.com

Email or text will be sent with a verification code and link that you need to verify and activate for your MyACT account.

Verify your account by entering the code provided in the email or text.

Select "Complete my Account"

Success! Your account is verified notification will appear on the screen,

Log back in with your email address on the new MyACT account.

Forgot User ID / Password

Students who are updating/ migrating their SWS accounts to MyACT

Students migrating their SWS accounts, can also reset their User ID or Password.

They can do so by selecting "Forgot user ID" or "Forgot Password" on the MyACT log in page.

The screenshot shows the MyACT login interface. At the top left is the ACT logo. The main heading reads "Enter your ACT student web account credentials below to update your account". Below this are two input fields: "User ID" and "Password". To the right of the "User ID" field is a red-bordered button labeled "Forgot User ID?". To the right of the "Password" field is a red-bordered button labeled "Forgot Password?". Below the input fields is a blue "Sign In" button. At the bottom of the page, there is a "Need help?" section with links to "See FAQs" and "Contact us".

They will be redirected to a page that links to their web account where they can make the necessary changes. Students will then use the updated credentials to login into MyACT and migrate their accounts.

The screenshot shows the "Forgot Your User ID?" page. At the top left is the "The ACT" logo. The heading is "Forgot Your User ID?". Below the heading is a paragraph: "To retrieve your User ID, enter your name and the email address ACT has for you. ACT will send your User ID to the email address on file." There are three input fields: "Student's First Name", "Student's Last Name", and "Email Address on File". To the right of the "Email Address on File" field is a blue link "Has this changed?". Below the input fields is a green "Submit" button. At the bottom of the page, there is a footer with "© 2019 by ACT, Inc. Terms of Use and Privacy Policy" on the left and "ACT Student Site | Contact Us" on the right.

Forgot User ID requires:

- First Name
- Last Name
- Email

Forgot Password requires:

- User ID
- Email

Notes:

- If the student no longer has access to the email, they used to create their SWS account they will have to contact us for further assistance
- Students will not be able to sign into their old web accounts. They will only be able to update their login credentials
