## Advancing a Student's Mastery – Adapting to Their Needs

As your students get ready to take the ACT® test, you want them to do their best. ACT® Online Prep gives educators a blended learning solution to support student mastery of core content for college and career readiness in English, reading, mathematics, and science.

ACT Online Prep can serve as an independent learning tool, a base for tutoring and/or test prep services, or as a key resource in helping students acquire mastery of core content.

### Test Prep: ACT Online Prep—School Package
