PreACT assessments are multiple-choice and provide 8th, 9th, and 10th grade students an early measure of College and Career Readiness while serving as a practice opportunity for the ACT® test.

**THE FIRST STEP TOWARD PREPARING FOR THE ACT TEST**

Each year millions of high school juniors and seniors take the ACT® test to gain insights into their college and career readiness. PreACT® assessments, targeted to grades 8-10, give students practice with the ACT and empowers them, their parents, and educators with these valuable insights even sooner.

**OPENING DOORS TO OPPORTUNITIES**

Students may opt to have their information shared with colleges and scholarship agencies when they take PreACT, providing greater opportunities for recruitment and scholarship awards.
PreACT Assessments Provide

**EARLY INDICATION OF PROGRESS AND IDEAS FOR IMPROVEMENT**

Detailed Results and Item Response Analysis identify specific areas to continue support for students’ improvement based on unique needs.

**ROBUST REPORTING**

Receive powerful data in both Student and online Educator reports that include PreACT and ACT score predictions that identify student skills and areas of opportunity.

**EASY, FLEXIBLE, AND AFFORDABLE ADMINISTRATION**

Administer the paper-based, multiple choice tests in English, math, reading, and science, on any date between September 1 and June 1. Modularity allows for testing across multiple days making it easier to fit testing into shorter class times and busy schedules. A flexible and affordable way to give students low-stakes practice in a high-stakes environment.

**PRACTICE WITH THE ACT TEST EXPERIENCE**

Provides students with a structured testing environment similar to what they will experience when taking the ACT. This helps students get comfortable with the test and understand how they’re doing in core subjects.

**CAREER AND NAVIGATION**

Allows educators to have early college and career conversations based on answers in the Student Information Section and Interest Inventory.

**SCHOOL, DISTRICT, AND STATE BENEFITS**

Support strategic conversations and facilitate a deeper understanding of overall student progress with rich data. Additionally, ACT will provide resources to help educators administer PreACT solutions and better understand reports.
