

# Social Media Kit for ACT Texas Testing

Before students make their testing choice feel free to utilize any of these social media post suggestions on your channels. The .jpeg files formatted for Facebook or Twitter are available in separate files.

---

1. Post Content: ACT school testing will be on [insert test date]. Your ACT score will help show what you have learned and make your college application stand out from the crowd.

2. Post Content: Providing an ACT score with your application increases your chance of earning a scholarship!

3. Post Content: The state of Texas will be paying for public school students to take the ACT once in your senior year, sign up by [DATE] and keep that money in your pocket.

4. Post Content: You can use your calculator for the whole math test - we don't mind!
