

ACT INSTRUCTIONAL MASTERY

ENGLISH AGENDA

The ACT Instructional Mastery English course provides candidates with the information necessary to facilitate effective preparation for the ACT English test, identify and recommend test-preparation and test-taking strategies, and understand test structure and content.

Includes:

- English content from Career and College Readiness Standards (CCRS).
- Item Analysis: What skills does each item measure?
- Coaching skills and remediation for improving English performance

Why Take It?

- Know what ACT English is really looking for
 - What is typically tested
 - What is typically not tested
- Learn how to thoroughly analyze student practice tests
- Learn how to replace fear of the unknown with practical question-by-question techniques

ACT English Professional Learning Example Schedule | 2-Day Course
