

Your Best Path to University Success

Where is your journey taking you? Do you dream of attending university in the United States, or maybe somewhere closer to home? Do you need to boost your confidence in your English language ability, study skills, and core academics (math, reading, science) before continuing your study at university?

No matter where you want to go, the **ACT® Global Assessment Certificate™** (GAC) program will help you get there.

The GAC program is a holistic education program offered around the world that helps students gain admission to competitive international universities where the primary language is English.

EARN UNIVERSITY CREDIT

Some GAC students have earned enough credit to complete their first year of university before graduating high school!

SKILLS FOR SUCCESS

The GAC curriculum puts a focus on the skills and knowledge you need most for postsecondary success:

- Academic English
- Mathematics
- Science
- Business
- Social Science
- Psychology
- Communication Skills
- Social Emotional Learning
- Study Skills
- Computing Skills
- Academic Research
- Test Preparation
- Education and Career Navigation

GAC students are immersed in English-based instruction, which in turn helps them build language skills while completing classroom work.

THE ACT UNIVERSITY ADMISSIONS TEST

GAC students also have the opportunity to take the ACT test — the university admissions test that is accepted by most U.S. universities and hundreds of international universities! Taking the ACT makes applying for university much easier.

“GAC helped me excel in many aspects of my university study, including doing research and writing an academic paper, and it gave me confidence in the classroom itself, especially for studying in the United States. You do have an advantage in terms of your readiness and preparedness.”

—Akbar Yahya, GAC graduate and Johnson & Wales University (USA) graduate

OFFERED GLOBALLY

The GAC program is offered at Approved Teaching Centers (ATCs) which are found around the world and are carefully selected according to outstanding teaching quality and dedication to students.

PARTNER UNIVERSITIES

Graduating from the GAC program will give you access to a network of Partner Universities that are located around the world including Asia, Europe, North America, South America and more. They offer many benefits to GAC students such as direct entry, credit transfer and/or scholarships.

FLEXIBLE LEARNING FITS YOUR SCHEDULE

The GAC program is offered in different modes to accommodate students' needs, including both full-time and part-time study as a concurrent co-curriculum with the high school curriculum.
