## Your ACT Scores

Rank: Approximate percent of ACT-tested students at or below your score

**Composite Score 21**

- The ACT® test scores and the Composite score range from 1 to 36; subscores range from 1 to 18.
- Your Composite score is the average of your scores on the four subject area tests. Subscores do not necessarily add up to your score for a subject area test.
- Your ranks tell you the approximate percentages of recent high school graduates in the U.S. and your state who took the ACT and received scores that are the same as or lower than yours. A rank of 70, for example, means that 70% of students received scores that are the same as or lower than your score.
- Your test scores are only estimates, not precise measures, of your educational development. You will find more information about interpreting your scores in the booklet provided with this report and at [www.actstudent.org](http://www.actstudent.org).

The Combined English/Writing score ranges from 1 to 36 and is a combined measure of the Writing and English tests. The Writing score ranges from 2 to 12. Your ranks for these two scores are based on recent ACT-tested students who took the Writing test.

**COMMENTS ON YOUR ESSAY:** YOUR ESSAY SHOWED RECOGNITION OF THE COMPLEXITY OF THE ISSUE BY PARTIALLY EVALUATING ITS IMPLICATIONS. GENERAL STATEMENTS IN YOUR ESSAY WERE WELL SUPPORTED WITH SPECIFIC REASONS, EXAMPLES, AND DETAILS. SOME VARIED SENTENCE STRUCTURES AND PRECISE WORD CHOICE ADDED CLARITY AND INTEREST TO YOUR WRITING.

## Your Guide to College and Career Planning

■ All college majors and occupations differ in how much they involve working with four basic work tasks: working with **People** (care, services), **Things** (machines, materials), **Data** (facts, records), and **Ideas** (theories, insights). These four basic work tasks are the compass points on the World-of-Work Map.

■ The map is divided into 12 regions, each with a different mix of work tasks. The map shows the locations of 26 occupational fields, called Career Areas (A-Z). Each Career Area contains many occupations that share similar work tasks.

\*If no regions are shaded, you did not answer enough interest items to permit scoring.
