This document provides steps for taking the official ACT Practice Test. To do this, you need a MyACT account. To learn about creating a MyACT account, refer to the MyACT Quick Start Guide.

MyACT is mobile-accessible and user-friendly. You can view results on a computer, tablet, or mobile device.

**Getting Started**

Once logged in to MyACT, select Tests & Prep for options to prepare for the ACT. You will be able to register for the ACT or choose prep alternatives including ACT Free Online Tests.

**Subject test selection** All four subject tests will be displayed including the number of questions in each section. Determine which subject to take and select Take Practice Test.

**Accommodations** If you need accommodations, select Need Accommodations? under the subject section for additional information on availability for the practice test.
**Test timing** When you select a subject test, a prompt to take the tests **Timed** or **Untimed** appears. Select your preference.

**Test scoring** Tests are scored as soon as you select **Submit**. When the “Scoring in progress” message under the test name has changed to “Score,” you may select **View Results**.

As you complete each subject test, the dashboard shows the test, when it was completed, the score, and the option to select **View Results**.

**Resuming a test** You may resume a test if you closed your browser or shut down your computer. If you select **Exit**, the test will be scored.

**Viewing Results**

To view results, choose the appropriate subject and select **View Results**. The header will include the timing choice selected, total number of questions, number answered correctly or incorrectly, and score for that subject.

**Answers** For each question, the response is displayed in the Your Answer column. Any questions answered incorrectly will have a Reveal option in the Correct Answer column. To reveal the correct answer choice, select **Reveal**.

**Results deletion** By selecting the vertical row of three dots next to View Results, the test result can be deleted.
