QUALIFIED EXCEPTION TO THE DEADLINE (QED)
Accommodations and English Learner Supports

In a limited number of circumstances, test coordinators can submit requests for accommodations and/or English learner (EL) supports after the published initial request deadline for your State or District contract.

This completed form must be submitted in the Test Accessibility and Accommodations System (TAA), **along with all the required information and documentation**, by the deadline published in your Schedule of Events. Due to time constraints, there is not a reconsideration window for QED requests. Verify all required documentation is uploaded into TAA, including this completed form, before selecting submit in TAA.

Check all applicable reasons, complete all associated details, and certify below. Requests submitted during the QED window without a **completed QED form** will be returned. QED requests for reasons other than those listed below do not qualify and will be returned without review.
