Photo Submission Form – Use this side only if you cannot upload a digital photo.

If you are not able to upload a digital photo, ACT must receive a hard copy paper photo by the deadline listed for your test date (see below). The photo will not be returned to you. You must have the right to submit the photo to ACT, either because you took it or because you have permission to submit it from the person who took it, and you agree that ACT may use the photo for all of the purposes listed in the *Terms and Conditions: Testing Rules and Policies for the ACT® Test* and in the ACT photo guidelines. It must also meet the ACT photo requirements—**see complete details at www.actstudent.org**.

- Be sure your photo is an original (not photocopied) image of only you against a plain background.
- It may not be blurry, grainy, fuzzy, or be enhanced in any way (for example, no filters, text, emojis, stickers, etc.).
- Your photo must be a full face-and-shoulders shot, squarely facing the camera.
- If you wear a head covering daily for religious reasons, adjust it to provide a full-face view.

Photo Acceptance Statement: By submitting this form, I understand and agree to the following:

- This photo will be used by ACT to verify my identity as the person registered to take the ACT test.
- ACT will take other measures in addition to this photo to verify my identity.
- ACT will include this photo with the score report that is automatically sent to my high school.
