## MyACT Non-Test Information

### Before Completing Your Non-Test Information

Do the following prior to completing your non-test information:

- **Verify your name:** If your name is not printed at the top of this page, contact your school test coordinator to get your personalized form. **Note:** *Don't worry if your last name is shortened on this form.* Only the first 16 characters (excluding special characters and spaces) of your last name are used on this form to match to your MyACT profile.
- **Get the guide:** Get a copy of *Taking the ACT* from your test coordinator. The guide contains resources to share with your parent or legal guardian prior to test day, including the *ACT Terms and Conditions* and *Privacy Policy* and non-test questions you will be asked (for example, your interests). These resources are also available at [act.org/info-for-examinees](https://act.org/info-for-examinees).
- **Use your transcript:** Have your high school grades and courses on hand to complete Step 2 on the next page.
