Students may opt to have their information shared with colleges and scholarship agencies when they take PreACT assessments, providing greater opportunities for recruitment and scholarship awards.

PreACT assessments are multiple-choice and provide 8th, 9th, and 10th grade students an early measure of College and Career Readiness while serving as a practice opportunity for the ACT® test.

*Currently available on paper forms only check in Fall of 2025 for online availability.

PREACT ASSESSMENTS PROVIDE

ACCOUNTABILITY NEEDS

PreACT Secure supports your accountability needs with a secure test administration of a trusted ACT assessment.

EARLY INDICATION OF PROGRESS AND IDEAS FOR IMPROVEMENT

Detailed Results and Item Response Analysis on PreACT 8/9 and PreACT identify specific areas to continue support for students’ improvement based on unique needs.

CAREER AND NAVIGATION

Allows educators to have early college and career conversations based on answers in the PreACT 8/9 and/or PreACT Student Information Section and Interest Inventory.

SCHOOL, DISTRICT, AND STATE SUPPORT

ACT provides comprehensive training materials and resources to ensure a successful administration, as well as Customer Support to navigate questions. Data resources and trainings are available to ensure that educators can use PreACT assessment data to understand and support student progress and goals.

SCHOOL, DISTRICT, AND STATE BENEFITS

Support strategic conversations and facilitate a deeper understanding of overall student progress with rich data.

PREDICT AND PRACTICE WITH THE ACT TEST EXPERIENCE

Students experience a structured testing environment, similar to what they experience with the ACT content. Scoring mirrors the ACT so students know where they can improve.

EASY, FLEXIBLE, AND AFFORDABLE ADMINISTRATION

Choose to administer the PreACT 8/9 or PreACT either on paper or online with multiple choice tests in English, math, reading, and science, on any date between early September and the last school day in May. Modularity allows for testing across multiple days making it easier to fit testing into shorter class times and busy schedules. A flexible and affordable way to give students low-stakes practice in a high-stakes environment.

Administer the online based PreACT Secure test during one six-week window in March-April, in under three hours.

ROBUST REPORTING

Receive powerful data in both Student and online Educator reports that include PreACT and ACT score predictions that identify student skills and areas of opportunity.

Student score reports and school-level data are available in online reporting. Our centralized online reporting platform improves classroom success by providing greater insights and easier predictions of academic performance.

ONLINE TESTING

PreACT 8/9, PreACT, and PreACT Secure all offer an online administration allowing students a streamlined experience in the same platform as the computer-based ACT test used by state and district testing.

Online testing is an easy school and district set-up and administration. In addition, there is reduced reliance on shipping and materials handling and storage.
It is never too early to help students get comfortable with the ACT test. The best way for 8-10 grade students to prepare is with PreACT assessments, that helps your students practice for the ACT, discover new opportunities, and start planning for the future. Learn more at act.org/preact or contact ACT at preact@act.org to talk to someone about bringing the benefits of PreACT assessments to your students.
