Ideas for Progress

Ideas for Progress are based on your scores. The improvement suggestions provided are a sample of the Ideas for Progress for your subject score. Your particular profile of strengths and weaknesses will influence which suggestions are most relevant for you. More information can be found at www.act.org/standards/Ideasforprogress.

MATH

Number & Quantity
- recognize, identify, and apply basic properties of real numbers (e.g., commutative, associative, identity) Algebra
- evaluate algebraic expressions and solve simple equations, using integers for Algebra

Functions
- use function notation to relate equations that model real-world and mathematical problems

Geometry
- find area and perimeter of triangles and rectangles by substituting given values into standard geometric formulas

Interpretation of Data
- create a visual display that summarizes a set of raw data
- interpret a graph or chart
- recognize patterns of change within data
- summarize numerical data in a table or graph

Problem Solving
- organize and analyze data in a variety of ways for use in problem solving

ENGLISH

Production of Writing
- read drafts with a partner and discuss how changing specific words or phrases would change each draft’s purpose
- practice writing varied conclusions

Knowledge of Language
- revise drafts to make writing more concise and precise

Conventions of Standard English
- practice recognizing complex sentences and non-run-ons and how to separate them into two simpler, clearer sentences
- check drafts by circling the prepositions to ensure they are the ones intended
- find examples of commas used to set off parenthetical phrases in advertising copy or published authors’ work

Integration of Knowledge & Ideas
- analyze, interpret, and integrate ideas from different sources
- interpret a sentence with an embedded clause

Bias and Assumptions
- search for clues that suggest the viewpoint from which a challenging literary text is copied or published authors’ work

Science

Interpretation of Data
- create a visual display that summarizes a set of raw data
- interpret a graph or chart
- recognize patterns of change within data
- summarize numerical data in a table or graph

SCIENCE

Integration of Data
- create a visual display that summarizes a set of raw data
- interpret a graph or chart
- recognize patterns of change within data
- summarize numerical data in a table or graph

READING

Key Ideas & Details
- distinguish between what is most and least important in increasingly challenging texts
- distinguish between key concepts and subordinate ideas in a text and write a concise summary about one of the key concepts

Craft & Structure
- research words and phrases from different sources, identifying their shades of meaning in various contexts or situations
- explain why an author may use one or more organizational patterns
- search for clues that suggest the viewpoint from which a challenging literary narrative is written or told and determine whether that point of view is reliable or biased

Integration of Knowledge & Ideas
- defend or challenge the author’s or narrator’s assertions by locating several key pieces of information in a text
- synthesize information from multiple informational texts to clarify understanding of important concepts and ideas

The scores below represent your performance on reporting categories measured by the test. Reporting category designations are provided to help you to start to focus on specific areas for improvement.

Your Score* 19

Composite Score

Your Predicted ACT Composite Score Range is 20–23

Progress Toward the ACT National Career Readiness Certificate®

The predicted ACT score ranges assume you will have typical achievement growth and take the ACT test in spring of 11th grade.

Your Detailed PreACT Results

The scores below represent your performance on reporting categories measured by the test. Reporting category designations are provided to help you to start to focus on specific areas for improvement.

Retention Policy

We keep registration records for 5 years, answer documents for at least 1 year and test scores indefinitely.
