Overview

Examinees authorized for accommodations and/or English Learner (EL) supports on the ACT test may use their authorization to streamline a request for the same accommodations and/or EL supports on a future administration of the test, whether the administration is National, Special, State, or District testing.

Note: This task must be completed by the deadline to request ACT-authorized accommodations and/or supports, as published in the program’s Schedule of Events.

<tr>

5. Select the correct test administration type (e.g., National) and test date from the drop-down menus.
   Note: For State or District testing, the test accommodation coordinator (TAC) must associate the date of the first test event for their contract, regardless of when the school is testing, and confirm that the examinee is in their test administration platform.

6. Select the Assign Test Administration button.
7. Select the OK button when the "Confirmation" pop-up window appears.
