Why Take the ACT?

The ACT test is a curriculum-based examination that matches well with the education standards in your state. Taking the ACT can provide helpful information for all students, not just those who are planning to attend college.

Taking the ACT can give every student a measure of his or her academic strengths and weaknesses. You can use your results to recognize your academic strengths and areas where you need to improve, whether you intend to go to college or enter the workplace after high school.

If you are not considering college now, you may decide to make college part of your plans later. Your ACT results can help you begin the career exploration and planning process. It is likely that nearly everyone who graduates from high school will eventually have to continue their education to achieve their career or life goals.

The ACT includes multiple-choice tests in English, mathematics, reading, and science. The tests measure your educational development in those areas and are based on what you have learned—they are not aptitude or IQ tests.

If your state or district is administering the ACT with writing, you will also take a writing test, for which you will write an essay in English. The ACT writing test measures the writing skills you have acquired in your high school English courses. Many colleges use ACT writing test results as a guide for placing incoming students into first-year composition courses.

What You Need to Know to Take the ACT

General Information

This booklet gives you the information you need to take the ACT. You will complete the non-test portions of your answer document during a scheduled, supervised session at school before the test date. On test day, you will record your responses to the tests on your answer document. After testing is completed, your test coordinator will send your answer document to ACT. Score reports will normally be mailed about 2–8 weeks after we receive your answer document.

Test Accommodations

If you receive test accommodations in school as part of your Individualized Education Program (IEP) or a Section 504 Plan, ask your test coordinator whether accommodations have been requested for you for the ACT.

Checklist for Taking the ACT

Before Test Day

- ✓ Prepare for the tests by reviewing *Preparing for the ACT*, which can be downloaded from www.actstudent.org if your school does not have a copy. This free booklet includes information about the tests, test-taking strategies, and complete practice tests for both the multiple-choice tests and the ACT writing test. Instructions on how to score your practice tests are also included.
- ✓ Complete the non-test portions of your answer document during the scheduled, in-school session. (See instructions beginning on page 9.) Do not return the answer document to ACT. Follow instructions from your school.
- ✓ If you do not have acceptable photo identification and the testing staff do not know you personally, ask a school official for the ACT Student Identification Form.
- ✓ Review the information about permitted and prohibited calculators.

On Test Day

- ✓ Report for testing at the time designated by your school. You will not be admitted to test if you are late.
- ✓ Take the following items with you:
 - Acceptable photo identification. Unless the testing staff can personally recognize you, **you will not be admitted to test without acceptable photo identification.**

- Sharpened, soft lead No. 2 pencils and good erasers (no mechanical pencils or ink pens).
- A watch to pace yourself. Your test coordinator will announce when 5 minutes remain on each test.
- A **permitted** calculator.
- Snacks to eat outside the test room during break.

At the Test Site

- ✓ Testing begins after all students are checked in and continues for about 3½ hours for the ACT (no writing) or 4 hours and 15 minutes for the ACT with writing. A short break is scheduled after the first two tests. If you are taking the ACT with writing, you will have time after Test 4 to relax and sharpen your pencils.
- ✓ Terms and Conditions: apply to all tests (See next page).
- ✓ DO NOT take any of the following items into the test room:

 - Highlight pens, colored pens or pencils, or correction fluid
 - **Any** electronic device other than a permitted calculator (examples include cell phone, media player, headphones, iPad)

Calculators

The ACT calculator policy is designed to ensure fairness for all examinees, avoid disturbances in the testing room, and protect the security of the test materials.

- A permitted calculator may be used on the ACT mathematics test only.
- It is your responsibility to know whether your calculator is permitted.
- For the most current information on the ACT calculator policy, visit www.actstudent.org or call **800.498.6481** for a recorded message.
- If your calculator has characters one inch high or larger, or a raised display, testing staff may seat you where no other examinee can see your calculator.

Privacy Policy and Notice of Collection of Personally Identifying Information

ACT collects personally identifying information when you register for or take one of our tests. Our processing of such information, including collection, use, transfer and disclosure, is described in the ACT Privacy Policy (www.act.org/privacy.html).

By registering for or taking an ACT test, you provide personally identifying information to us, some of which is mandatory. If you do not provide mandatory personally identifying information, such as name, gender, address and date of birth, you may not be able to register for or take the ACT test.

We share personally identifiable information consistent with your choices. For example, we send score reports to the colleges you choose. Please note that when you send a report to a college that is part of a school system, the college may share your score with other colleges in that system. In addition, ACT provides your score report (including your photo) to your high school. In certain situations described in the Automatic Score Reporting for Scholarship Purposes section, ACT will also automatically report your scores for scholarship purposes.

When you register for or take an ACT test, you consent to the ACT Privacy Policy, which is incorporated into these *Terms and Conditions: Testing Rules and Policies for the ACT® Test* by reference, including consenting to the collection of personally identifying information and its use and disclosure as provided in the ACT Privacy Policy.

Notice to International Examinees: You are voluntarily providing personally identifying information to us. Your personally identifying information may be transferred outside of your home country to the United States to ACT or a third party service provider for processing and will be subject to use and disclosure under the laws of the United States. It may also be accessible to law enforcement and national security authorities in the United States.

Any questions about the ACT Privacy Policy or this notice should be directed to our Data Protection Official at DPO@act.org.

Automatic Score Reporting for Scholarship Purposes*

Some state/federal scholarship programs or education departments use ACT scores as one source of information to recognize student achievement. ACT reports test scores and other information about you for this purpose without requiring you to use one of your college choices, and at no cost to you. **If your mailing address or high school is in one of the states or other categories listed below, your test scores and other information about you will be reported automatically for consideration unless you specifically direct ACT, in writing, not to do so.**

To direct ACT **not** to automatically report your scores for scholarship purposes, send a letter postmarked by the Monday immediately after the applicable test date for which you do not want your scores reported. Address your letter to: ACT Customer Care, P.O. Box 168, Iowa City, IA 52243-0168.

NOTE: This will not affect any other uses of your scores, such as the reporting of scores to the colleges you listed or to your high school, or sending information about you to Educational Opportunity Service recipients if you opted in.

State scholarship programs:** Alaska, Arizona, Arkansas, Florida, Georgia, Idaho, Illinois, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Mississippi, Missouri, Montana, North Dakota, Oklahoma, Pennsylvania, Rhode Island, Tennessee, Washington, West Virginia.

US Presidential Scholars Program: All states, District of Columbia, US territories, Puerto Rico, and US citizens abroad.

*This section does not apply to Residual testing.

**State scholarship program participants may change at any time, and these Terms and Conditions may not always reflect the most current information.

Photo Submission Requirement for Registration (National Testing Only)

During test registration, you must submit a photo to ACT that meets ACT photo requirements. Your photo will be used for test security purposes such as verifying your identity. ACT will place your photo on your registration ticket, provide it to test center staff, and include it on the score report that is automatically sent to your high school. You must have the right to submit the photo to ACT, either because you took it or because you have permission to submit it from the person who took it, and you agree that ACT may use your photo for all of the purposes listed in this paragraph and in ACT photo requirements. See the Photo Requirements (www.act.org/the-act/photo-requirements.html) page for information about providing your photo.

ACT may cancel your test registration and release your seat if you fail to provide a required photo by the deadline for that test date. If you fail to provide a required photo by the deadline, you will be subject to all test date change policies and fees. You must provide a photo by the photo deadline for the new test date. See Photo Upload Deadlines at (www.act.org/the-act/photo-requirements.html). If you do not request a test date change, your original registration fee will not be refunded.

NOTE: Examinees who are 12 years old or younger do not have to submit a photo for registration, but must bring acceptable identification to the test center.

Capturing Images or Voice Recordings at Test Centers

ACT may capture images and voice recordings of you at test centers. ACT may retain and analyze all such images and voice recordings for the purpose of protecting the integrity and security of the testing process.

Acceptable Identification

Unless otherwise stated in these Terms and Conditions, ACT generally requires that you show both (1) an admission ticket or a standby ticket, and (2) acceptable identification, to be admitted to a test center. You are responsible for understanding ACT requirements for **acceptable identification** (www.act.org/the-act/taking-the-test-identification) and having acceptable identification with you on test day. ACT policies are updated from time to time, so make sure that you check for any updates to our identification requirements before the day of testing. You should contact ACT Student Services (www.act.org/the-act/help-contactus) before the day of testing with any questions about acceptable identification. Test administration staff has sole discretion on test day for determining whether your identification is acceptable. If there is evidence, however, that another individual has taken the test for you, your score may be challenged and subsequently cancelled regardless of a staff decision to accept your identification and admit you to the test center.

Special Instructions for State and District testing, Special testing, Arranged testing, and Residual testing: ACT requires that you show acceptable identification on the test day, unless testing staff personally recognize you.

Test Security

In addition to any other remedies provided below or otherwise available to ACT, ACT may prohibit you from taking the ACT test, even if you have already registered, if ACT believes: (1) you may have engaged in prohibited behavior in connection with a prior administration of the ACT test, (2) you may intend to engage in prohibited behaviors in the future, (3) you may have provided false or misleading information to ACT, or (4) you may be working for test preparation providers.

A. Prohibited Behavior at the Test Center

The following behaviors are prohibited. You may be dismissed and/or your answer document may not be scored, at ACT's sole discretion, if you are found:

- Filling in or altering responses on your answer sheet or continuing to write the essay after time has been called on that test section. This means that you cannot make any changes to a test section outside of the designated time for that section, even to fix a stray mark or accidental keystroke.
- Looking back at a test section on which time has already been called.
- Looking ahead in the test booklet.
- Looking at another person's test booklet or answer document.
- Giving or receiving assistance by any means.
- Discussing or sharing test content, test form identification numbers, or answers during test administration, during breaks, or after the test.
- Using a **prohibited calculator** (www.act.org/calculator-policy.html).
- Using a calculator on any test section other than mathematics.
- Sharing a calculator with another person.
- Using a watch with recording, internet, or communication capabilities.
- Using any electronic device at any time during testing or during break other than an approved calculator or watch. **All** other electronic devices, including cell phones and wearable devices, must be turned off and placed out of reach from the time you are admitted to test until you are dismissed after testing concludes.
- Attempting to photograph, copy, or memorize test-related information or remove test materials, including questions or answers, from the test room in any way.
- Using highlight pens, colored pens or pencils, notes, dictionaries, or other aids.

- Using scratch paper (unless an exception applies).
 - Specific instructions will be provided on test day if ACT authorizes you to use scratch paper, including the section(s) on which ACT has authorized its use.
 - If you are permitted to use scratch paper, you may only use paper that ACT has authorized and/or provided to you.
- Not following instructions or abiding by the rules of the test center.
- Exhibiting confrontational, threatening, or unruly behavior; or violating any laws. If ACT suspects you are engaging in criminal activities, such activities will be reported to law enforcement agencies.
- Allowing an alarm to sound in the test room or creating any other disturbance.

All items brought into the test center, such as hats, purses, backpacks, cell phones, calculators, and other electronic devices may be searched at the discretion of ACT and its testing staff. ACT and its testing staff may confiscate and retain for a reasonable period of time any item suspected of having been used, or capable of being used, in violation of these prohibited behaviors. ACT may also provide such items to and permit searches by third parties in connection with an investigation conducted by ACT or others. ACT and its testing staff shall not be responsible for lost, stolen, or damaged items that you bring to a test center.

Consequences for Prohibited Behavior: ACT has sole authority for determining whether to take action regarding prohibited behavior observed or suspected on test day, and its decisions are final. **If ACT takes action due to prohibited behavior observed or suspected on test day, the individuals who engaged in the prohibited behavior will not have their answer documents scored; will forfeit their registration for that test date; and will have no right to refunds or appeals.**

B. Individual Score Reviews

If ACT discovers reason to believe your score may be invalid – such as evidence of unusual similarities in the answers of you and another examinee, evidence that you may have falsified your identity or impersonated someone else, evidence of possible advance access to test questions or answers, or other indicators the test scores may not accurately reflect your level of educational achievement – ACT may conduct an Individual Score Review. **ACT reserves the right to cancel test scores when there is reason to believe the scores are invalid. Proof of misconduct is not required to cancel scores.**

ACT will take steps to notify you if ACT decides to conduct an Individual Score Review. The notice includes information about why ACT has started the Individual Score Review and options available for resolving it. If the scores that are the subject of the Individual Score Review have not yet been reported by ACT, ACT reserves the right to hold those scores pending the outcome of the review process, including any appeal. More information regarding the review process will be provided to you if ACT opens an Individual Score Review regarding your score.

For Individual Score Reviews, the final and exclusive remedy available for you to appeal or otherwise challenge a decision by ACT to cancel your test score is binding arbitration. The arbitration will be conducted through written submissions to the American Arbitration Association (“AAA”), unless both you and ACT agree to submit the matter to an alternative arbitration forum. By agreeing to arbitration in accordance with these Terms and Conditions, you are waiving your right to have your dispute heard by a judge or jury. If you choose to appeal a decision by ACT to cancel your test scores by exercising your right to seek arbitration of that decision, you must pay a nonrefundable filing fee of \$200 to the AAA (or alternate forum) as your share of the filing fee, and ACT will pay the remainder of the filing fee. Your share of the filing fee is payable in full when a request for arbitration is filed with the AAA, but will be reimbursed by ACT if you prevail in arbitration and your scores are not cancelled. The only issue for arbitration will be whether ACT acted reasonably and in good faith in deciding to cancel the scores. No damages may be awarded by the arbitrator and each party is responsible for its own fees and expenses, including attorneys’ fees, except as otherwise expressly provided in these Terms and Conditions. No arbitration involving the outcome of an Individual Score Review may be maintained as a class action, and the arbitrator shall not have the authority to combine or aggregate the disputes of more than one individual, conduct any class proceeding, make any class award, or make an award to any person or entity not a party to the arbitration.

C. Compromises/Disruptions in the Testing Process – Limitation of Remedies

ACT takes steps that are intended to ensure that test registrations are correctly processed, tests are properly administered, tests and answer documents are properly handled and scored, and scores are properly reported. In the unlikely event there is an error or other occurrence that compromises or disrupts the testing process, ACT will examine the situation and determine whether it needs to take action, including not scoring answer documents or cancelling scores. Compromises or disruptions that could cause ACT to take action under this paragraph include, but are not limited to, errors in the registration process; errors in preparing, handling, shipping, processing, or scoring answer documents; errors in reporting scores; deviations from standard testing procedures such as events that cause testing at a test center to be cancelled or interrupted, or a mistiming on any part of the test; events or information that raise concerns about possible prohibited behavior, advance access to test content by anyone taking the test, or possible invalid scores; unusual data from a test center such as unusual similarities in the answers of people at the same test center; or any events that otherwise disrupt or compromise the testing process. If ACT determines that it needs to take action in response to any such error or disruption in the testing process, ACT will in its sole discretion (1) correct the error (if an error occurred and ACT believes correction is feasible), (2) not score answer documents or cancel scores and offer each affected person the option to retest at no additional fee (normally on a future National test date), or (3) not score answer documents or cancel scores and offer a refund. To take such action, ACT shall not be required to conduct an Individual Score Review or otherwise demonstrate that a compromise or disruption invalidated your specific score. Decisions made by ACT regarding such compromises or disruptions in the testing process are final. If ACT offers a retest and you select that option (or it is selected for you in State and District testing), you must retake all four multiple-choice tests to produce a valid Composite score. If you took the writing test on the original test date, you may also need to retake the writing test in addition to the four multiple-choice tests to produce a valid English Language Arts score.

For State and District testing: In the event of compromises/disruptions in the testing process, ACT may offer the option to retest at no additional fee or it may cancel the test event without an option for retest.

It is important that ACT ensure that reported scores are not affected by an irregularity, and that ACT inform anyone who has received a score report that the score may not accurately reflect a person’s academic achievement and skills. You therefore agree that ACT may notify score recipients if there is an investigation into the validity of your reported test score and if your score is cancelled. You also agree that ACT may disclose details about a test security investigation to score recipients and to anyone who may be able to assist with an investigation conducted by ACT, such as law enforcement, state departments of education, and local school officials. You agree that ACT will have no liability for exercising any of these rights.

The remedies listed above are the exclusive remedies available for any examinee who experiences an irregularity in the testing process. In no event shall ACT be liable to an examinee for any special, indirect, consequential, exemplary, or punitive damages.

Arbitration of Disputes with ACT

All disputes – other than disputes involving “Individual Score Reviews” (described above) or infringement of ACT’s intellectual property rights – that relate in any way to registering for or taking the ACT test, requesting or receiving accommodations on the ACT test, the reporting of ACT test scores or the use or disclosure of personal information by ACT, shall be resolved by a single arbitrator through binding arbitration administered by the American Arbitration Association (“AAA”), under the AAA Consumer Rules (“AAA Rules”) in effect at the time a request for arbitration is filed with the AAA. Copies of the AAA Rules can be located at www.adr.org. No arbitration may be maintained as a class action, and the arbitrator shall not have the authority to combine or aggregate the disputes of more than one individual, conduct any class proceeding, make any class award, or make an award to any person or entity not a party to the arbitration. By agreeing to arbitration in accordance with these Terms and Conditions, you are waiving your right to have your dispute heard by a judge or jury.

Each party will be responsible for its own fees and expenses incurred in connection with the arbitration, regardless of the outcome of the arbitration, except as otherwise expressly provided in these Terms and Conditions. In no event shall ACT be liable to an examinee for any special, indirect, consequential, exemplary, or punitive damages.

NOTE: Separate procedures apply to arbitration proceedings involving Individual Score Reviews. Those procedures are discussed above, under the heading “Individual Score Reviews.”

Retest Restriction

You may take the ACT no more than 12 times total. This restriction applies even if your scores from a test date are cancelled by you or by ACT.

ACT may cancel your registration, rescind your admission ticket, or take any other steps necessary to enforce this policy. If you violate this restriction, your scores will not be reported or will be cancelled and your fees will not be refunded.

In calculating the 12-test total, ACT makes exceptions for testing required by your district or your state’s Department of Education and tests taken as part of an academic talent search. Other exceptions will be considered only if you submit a request via our online Retest Exception Request Form no later than the regular registration deadline for the test date you would like to be your 13th test date. Exceptions are within ACT’s sole discretion.

ACT Intellectual Property Rights

All ACT tests, test-related documents and materials, and test preparation materials are copyrighted works owned by ACT and protected by the laws of the United States and other countries. Secure (*i.e.*, not made available by ACT to the general public) tests and test questions may not be copied or disclosed at any time. Test-related materials that ACT has made available to the general public, such as materials designated by ACT as sample tests, may not be copied, duplicated or used in any other works, in whole or in part, without the prior written approval of ACT. **ACT may pursue all available civil and criminal remedies if its intellectual property rights are violated, including seeking damages and injunctive relief in a court of law and referring such violations to law enforcement authorities for criminal prosecution.**

ACT owns all answers and answer sheets you submit, including all essay responses, as well as all score-related data maintained by ACT. The score reports from ACT are your property. However, score reports may not be altered by you or others so as to convey inaccurate or misleading information, and, if ACT cancels the scores reflected on such score reports, those scores may not be provided to third parties.

Changes to These Terms and Conditions

These Terms and Conditions are subject to change. ACT will provide notice of such changes by posting the revised Terms and Conditions on its website. The Terms and Conditions that are posted on ACT’s website when you register to test will apply to you with respect to that test date, along with any changes that may be reflected in revised Terms and Conditions posted to ACT’s website at least forty-eight hours prior to your testing date. The current version of these Terms and Conditions is available at www.act.org/the-act/terms, and you agree to check for revised Terms and Conditions prior to taking the ACT.

All ACT policies referenced in these Terms and Conditions, including the ACT Privacy Policy, are part of these Terms and Conditions and are binding on you, so you should review them carefully. Any questions should be directed to ACT Student Services (www.act.org/the-act/help-contactus) in advance of registering for or taking the test.

Accessibility of These Terms and Conditions to Disabled Individuals

If you have any difficulty accessing these Terms and Conditions because of an impairment, please contact ACT Student Services (www.act.org/the-act/help-contactus) in advance of registering for or taking the ACT test. ACT would be happy to provide these Terms and Conditions in an alternative format, or to assist you in some other manner as reasonably necessary to enable you to access these Terms and Conditions.

Additional Information for South Carolina Testing Program Participants Only

To the extent there is any conflict between these Terms and Conditions or the ACT Privacy Policy and the express terms of the contract between your state, school district, or school, and ACT, the terms of that contract shall control.

Completing Your Answer Document

The information you provide on your answer document will become part of your permanent ACT record.

Follow the instructions in this booklet and on the document. Errors will delay or prevent us from preparing reports for you, your high school, or the colleges and agencies you indicate.

Because your answer document will be processed by machine, be sure to:

- Use a soft lead No. 2 pencil (no mechanical pencils or ink pens).
- Fill in ONE oval completely under each letter or number you enter.
- Erase any errors cleanly without smudging.

Even if a barcode label is used on your answer document, you must complete the information in Blocks A and B on page 1 and Blocks N, O, P, and R on the back page accurately to receive your score report.

A
Name and Mailing Address. Print your name and current mailing address.

B
Name. This is a mandatory field. The name you enter will appear on your ACT score reports. We advise you to use the name you would use when applying for a driver's license or other government-issued ID. It is important that it be the same name that appears on your photo ID, normally your legal name. **It is very important that you enter your name exactly the same way when you create your ACT web account,** which you can use to register for future test dates and to access ACT services (such as viewing your scores online). If there is not enough space for your full name, enter as much as possible.

C
Leave blank.

D
Date of Birth. This is a mandatory field and will be used to identify your record. Enter your correct date of birth and not today's date.

E
Gender. This is a mandatory field.

F
Racial/Ethnic Background. Respond to both parts of this field. ACT collects and reports this information in accordance with reporting guidelines issued by the US Department of Education. These guidelines do not collect ethnic background at a more detailed level. This information will be released to the colleges that receive your scores only if they request it.

G
Citizenship Status. Fill in the appropriate oval.

H
Telephone Number. Indicate your telephone number and type.

I and J
Leave blank.

K
Leave blank. Do not alter if completed.

L
The ACT Educational Opportunity Service (EOS) allows you to learn about educational, scholarship, career, and financial aid opportunities at no charge to you. To participate, fill in the "Yes" oval.

By responding "Yes," you agree to be contacted by ACT and third party organizations participating in EOS, and you authorize ACT to provide information about you (name, address, gender, high school, email address, date of birth, year of high school graduation, racial/ethnic background, intended college major, and occupational choice) to colleges, universities, financial aid and scholarship agencies, and organizations that offer educational programs. Your test scores and Social Security number are not reported. All third party organizations that participate in EOS have agreed to use this information only for the purpose of sharing with you information about their educational and/or financial aid programs.

If you do not respond, your information will not be disclosed through EOS unless you authorized release when you previously registered for the ACT. If you respond "No," the selection applies only to this administration of the ACT. To request that your information from past administrations of the ACT no longer be sent to third party organizations participating in EOS, please contact ACT or visit the EOS program information page (www.actstudent.org/college/eos.html).

Because your test has been funded by your state education agency, that agency will receive your record even if you respond "No" or leave this item blank.

M
College Planning/Reporting Scores. Your high school and the state education agency will receive your scores whether you complete this block or not.

If you want to send your scores to colleges or scholarship agencies now, see pages 15–23. Find the code for each of your choices and enter the correct codes (up to four) in order of preference. Think carefully about your choices. **We cannot make changes in or additions to Block M after you submit your answer document.**

If you currently do **not** plan to go to college, **skip** the code choice blocks and fill in the oval under "Non-Reporting Option" at the right.

Requests for more than four codes and all requests for reports after you test (to any recipient) must be submitted and paid for as Additional Score Reports (ASRs). See page 24.

Members of Congress. See page 24.

Unlisted Institutions. To send a report to a college that is not listed in this booklet or on the web, enter code 7000. One sealed report will be sent to you for each 7000 code entered; you may then forward the report to the unlisted college. Code 7000 reports are NOT accepted by colleges listed with their own code numbers.

→ Turn Your Answer Document to Page 3.

Email Address (Optional). Please provide your email address, if you have one. Your email will be used in accordance with the ACT Privacy Policy and included on score reports to colleges. Enter all letters, numbers, and symbols of your email address using the key provided and grid the corresponding ovals below each block. If you create an ACT web account, provide the same email address you entered in this block.

→ Turn Your Answer Document to the Back Page.

N
Mailing Address. This is a mandatory field. **Leave a space between the parts of your street address.** Use the slash "/" to designate fractions (e.g., $\frac{1}{2}$, $\frac{3}{4}$). If you live in an apartment, enter the number after the street name.

ACT Student Profile Section

Mark your responses on page 2 of your answer document.

The Student Profile Section (SPS) is designed to help you think about your future education and to help colleges in their planning. Be sure the information you provide is as accurate as possible, because it will be used in various ways. For example, a college may use your ACT information as your application for admission; the information would then become part of your basic record at the college. Some scholarship programs may need your answers to certain SPS questions in order to consider you for an award.

Although you may skip any question that you do not wish to answer, we can provide colleges with your most complete profile only if you answer every question and provide updates each time you test.

If you do NOT plan to go to college, you may skip many of the items.

Receiving and Sending Your Scores

Scores on the Web

If you have a free ACT web account, you can view your scores along with a copy of your score report at www.actstudent.org at no charge.

- If you do **not** already have an account, please wait until **after** you receive your score report to create one. To view your scores, you must enter the ACT ID from your score report when this information is requested as part of creating your account.
- If you **do** already have an account, please wait 2–3 weeks after the test date to log in to your account and check to see if your State and District testing scores have been posted. Note: If you take the ACT with writing, your writing scores will be added as soon as they are available (usually about 2 weeks after your multiple-choice scores are posted).

You can also use your ACT web account to access other ACT services, such as requesting and paying for Additional Score Reports (ASRs) or registering to retake the test on a future National test date.

Schedule for Score Reports by Mail

ACT (no writing) score reports are normally **mailed 2–8 weeks** after we receive your answer document. ACT with writing score reports are mailed only when all of your scores are available—including writing—normally 5–8 weeks after the test date.

Official ACT Score Reports

Initially, ACT produces and sends only the following score reports:

- **Student Report**—Your paper report will be automatically mailed to the address you enter on your answer document. A guide to understanding your scores, *Using Your ACT Results*, will be included with your report. If you provide an inaccurate address, no report will be mailed.
- **High School Report**—A report will be automatically mailed to the Director of College Counseling at your high school.
- **College Reports**—Each college and scholarship agency for which you provide a valid code on your answer document will receive a report. Each college selects the method and frequency of reporting—at least every two weeks.

If you take the ACT with writing, an image of the essay you write may be available to the high school and colleges to which you have ACT send scores from that test date.

Your state education agency will also receive your State and District testing record, even if you choose not to have ACT report your scores to any colleges.

Test Location

State and District testing scores are indicated as “State” under “Test Location” on the reports sent to high schools and colleges. ACT does not report any specifics about accommodations provided.

ACT will not report scores earned with non-college reportable accommodations to colleges, scholarship agencies, or any other entities. These scores are for state or district assessment purposes only.

One Test Date per Report

ACT score reports include only the results for the current test date. Because you direct the reporting of your scores, results from previous test dates are not included.

State and District Testing Record

Because your record is used to document participation in State and District testing, you may **not** direct us to drop your State and District testing record from our files.

Additional Score Reports (ASRs)

Requests for reports to more than four college choices—and all requests after testing for reports to **any** recipient (e.g., high school, college)—must be submitted and paid for as ASRs.

Wait until **after** you test to submit your request. Your scores are available for additional reporting only after all scores for your test option have been processed. Once you submit your request, by any method, it cannot be changed or canceled.

Security Hotline

You can help protect the ACT. If you suspect an irregularity in testing—such as someone having access to the tests in advance, sending another person to test in his or her place, or copying someone else’s answers—please report your concerns at www.act.ethicspoint.com. You can report your concerns anonymously.
