The Purpose of ACT's Test Accessibility and Accommodations (TAA) System

TAA can be accessed at http://success.act.org from any computer via Google Chrome (preferred), Mozilla Firefox, or Internet Explorer version 11 or later.

At the Sign In screen, enter your TAA username (email address) and password, then select the Sign In button.

If you have access to TAA, you will see the widget among the choices listed.
If the TAA system is not available to you, you will need to request access to it. For step-by-step instructions for requesting access, see Requesting Access to TAA. Requests are directed to the school's Trusted Agent for approval. Do not request access if you are not a representative of the school.

If no Trusted Agent has been established for your school or district, your request for TAA access will be evaluated by ACT. Ensure you only request TAA access, as requests for other types of access require a Trusted Agent and cannot be evaluated by ACT. Do not request access if you are not a representative of the school.

**Note:** For technical assistance, you may contact ACT Customer Service at 877.861.3003, option 2.

**Role: Trusted Agent**

Each organization (school) is associated with a Trusted Agent. The Trusted Agent is typically a school administrator or district-level staff and is responsible for granting accesses within the [http://success.act.org](http://success.act.org) environment for his/her school. Trusted Agents grant access to TAA as well as the other systems accessed from this site. They must carefully consider who should have access to the TAA system so as to protect confidential information. Each person with access to TAA will have access to confidential student information and is able to view all of the requests submitted by their organization.
**Role: Test Accommodations Coordinator (TAC)**

Everyone with access to TAA is assigned the role of Test Accommodations Coordinator (TAC). Organizations (schools) may have more than one TAC. ACT recommends that all organizations have at least two TACs so there is always a "back-up" user available if needed. TACs are responsible for submitting requests and reconsiderations for students who may need accommodations or English learner supports to access the ACT.

**Responsibilities of the Test Accommodations Coordinator (TAC)**

TACs have the responsibility to:

- Initiate requests
- Submit requests
- Upload supporting documentation
- View and distribute Decision Notifications to the examinee and/or their parent guardian
- Submit requests for Reconsiderations
- Associate test dates
- View and participate in training provided by ACT

**Request Access to TAA**

After logging in to success.act.org, follow these steps to request access to TAA:

1. Select the **Manage My Access** button.

**Requesting Accessibility Supports**

**Parent or Examinee Consent to Release Information to ACT**

Without parent or examinee consent to release information to ACT, ACT *cannot* process requests for accommodations authorized by ACT or English learner supports. The TAC is responsible for ensuring that the school has consent prior to submitting a request.

Ask a parent, the examinee (if 18 or older), or a school official with parental consent, to sign and date the [Consent to Release Information to ACT](#) form. Keep the signed release on file at school.

**Search for Examinees and Existing Requests**

Examinees who register to take the ACT, provide their high school code, and indicate a need for accommodations or English learner supports will need to have the request for accommodations and/or EL supports submitted through the TAA system. Each examinee should have only one TAA file, therefore it is important to check if a request has already been started or submitted by following these steps:

1. Log in to TAA.
2. Search for the examinee by entering the examinee's first name, last name and/or TAA PIN.

   *Tip*: You can also enter a partial first or last name.
3. Select the **Search** button. The results will display on screen.

*Note:*

- To help you further in locating the examinee you are searching for, you may sort the results by selecting any of the column headings, sorting the data into that order.
- If you want to, you may select the Download Search Results button for that action.

4. Select the TAA PIN from the first column to complete or edit an examinee’s request.

### Submit an “Action Required” Request

A request that has a status of Action Required needs to be submitted to ACT.

1. Log in to TAA.
2. Scroll to the **Examinee** section.
3. Select **Status** in the top row of the table to bring Action Required requests to the top.
4. Select the blue TAA PIN for the request in the first column.
5. Complete the remaining sections of the request.

*Note: By checking the terms and conditions box on the screen (shown in step 6), and submitting the request, you agree to either administer, or arrange for the administration of, the ACT if the examinee is approved to test with accommodations and/or supports that must be administered via ACT’s Special Testing program.*
6. Review the terms and conditions and then select the checkbox to acknowledge the following:

![Terms and Conditions Image]

   **Note**: More than one test date may be selected at a time.
6. Select the **Assign Test Administration** button.

### Certify for Testing through Special Testing

The certification step is designed to verify the school’s agreement to administer the ACT to the examinee with accommodations that are not able to be provided at a National Testing Center. If the certification step is needed, all TAA users at the school will receive an email indicating
the need for certification. The TAC needs to complete the certification. Certification must be completed prior to testing materials being shipped.

1. Log into TAA (see “Logging into Your Current TAA User Account,” page ).
2. Search for the examinee (see “Searching for Examinees and Existing Requests,” page ).
3. Select the Certification Needed link in the Certification column.
4. Check the checkbox in the row for the examinee’s preferred test date.
5. Read the certification statement.
6. If you agree, select the I Agree button. If you do not agree, select the Cancel button and let the examinee know they will need to locate a different testing location.

Note: If an examinee is approved to test through Special Testing at your school, ACT will use the address associated with your school to ship secure test materials. If the address listed is not accurate, please contact ACT Customer Service at 877.861.3003, option 2, to provide the correct address. This will ensure delivery of secure test materials to the person who requests the accommodations or EL supports on behalf of the examinee for administration of the test.

Requesting Previously-Approved Accommodations and English Learner Supports

Using Previously-Approved Accommodations and Supports on a Future Test Administration

If an examinee is already in TAA, the accommodations authorized by ACT or supports for the examinee may not be automatically assigned to future test dates. The accommodations and supports can be carried forward to a future test date. However, for the examinee to receive the same accommodations and supports, the upcoming test administration must be assigned to the examinee. This assignment is done automatically when a student registers to test again through National or Special testing and indicates a need for accommodations.

TAA System Errors

Common Reasons for TAA System Errors

TAA system errors may occur for several reasons. Below are common problems that may cause system error messages and information about how to resolve them.

• Your bookmark to TAA may be out of date. We sometimes make updates to the site that are necessary to display it correctly. In order to fix this issue, please go to success.act.org to reach our most recently updated version of the log in site.
• Your Internet browser may be incompatible with scripting on the site. We recommend using Google Chrome or Firefox whenever possible while using TAA. Internet Explorer is not supported.
• Your browser may be trying to access information from a previous TAA session after the session has already timed out. To fix this, please clear your browsing cache and cookies, then close the browser and re-open it. Opening an Incognito Tab in Google Chrome has the same effect.

• Scripting on the site may be blocked by your Internet settings. If this is the case, there will be a small shield icon in your address bar, which gives you a message stating that a script was blocked on this page for being potentially unsafe. If this occurs, please contact your local IT department for assistance.

If none of the above options work, we recommend calling 319.337.1332 for immediate assistance from one of our phone representatives.
