Overview

The Purpose of ACT's Test Accessibility and Accommodations (TAA) System

Welcome to ACT's Test Accessibility and Accommodations (TAA) system. You will use this system to request examinees' accommodations or English Learner supports, and receive Decision Notifications. TAA is used to submit requests for your testing program.

Accessing TAA

TAA can be accessed at http://success.act.org from any computer via Google Chrome (preferred), Mozilla Firefox, or Internet Explorer version 11 or later.

At the Sign In screen, enter your TAA username (email address) and password, then select the Sign In button.

If this is your first time logging in to http://success.act.org, click Create Account and follow the steps to create an account.

IMPORTANT: You need to use the email address associated with your TAA user account when creating your http://success.act.org account, as this will link you to your prior accesses.

If you have access to TAA, you will see the widget among the choices listed.
If the TAA system is not available to you, you will need to request access to it. For step-by-step instructions for requesting access, see Requesting Access to TAA. Requests are directed to the school's Trusted Agent for approval. Do not request access if you are not a representative of the school.

If no Trusted Agent has been established for your school or district, your request for TAA access will be evaluated by ACT. Ensure you only request TAA access, as requests for other types of access require a Trusted Agent and cannot be evaluated by ACT. Do not request access if you are not a representative of the school.

Note: For technical assistance, you may contact ACT Customer Service at 877.861.3003, option 2.

**Role: Trusted Agent**

Each organization (school) is associated with a Trusted Agent. The Trusted Agent is typically a school administrator or district-level staff and is responsible for granting accesses within the [http://success.act.org](http://success.act.org) environment for his/her school. Trusted Agents grant access to TAA as well as the other systems accessed from this site. They must carefully consider who should have access to the TAA system so as to protect confidential information. Each person with access to TAA will have access to confidential student information and is able to view all of the requests submitted by their organization.
Role: Test Accommodations Coordinator (TAC)

Everyone with access to TAA is assigned the role of Test Accommodations Coordinator (TAC). Organizations (schools) may have more than one TAC. ACT recommends that all organizations have at least two TACs so there is always a "back-up" user available if needed. TACs are responsible for submitting requests and reconsiderations for students who may need accommodations or English learner supports to access the ACT.

Responsibilities of the Test Accommodations Coordinator (TAC)

TACs have the responsibility to:

- Initiate requests
- Submit requests
- Upload supporting documentation
- View decision notifications
- View and distribute Decision Notifications to the examinee and/or their parent guardian
- Submit requests for Reconsiderations
- Associate test dates
- View and participate in training provided by ACT

To add additional schools to your account, follow the steps in the Requesting Access to TAA section above.

**Requesting Accessibility Supports**

**Parent or Examinee Consent to Release Information to ACT**

Without parent or examinee consent to release information to ACT, ACT cannot process requests for accommodations authorized by ACT or English learner supports. The TAC is responsible for ensuring that the school has consent prior to submitting a request.

Ask a parent, the examinee (if 18 or older), or a school official with parental consent, to sign and date the **Consent to Release Information to ACT** form. Keep the signed release on file at school.

**Search for Examinees and Existing Requests**

Examinees who register to take the ACT, provide their high school code, and indicate a need for accommodations or English learner supports will need to have the request for accommodations and/or EL supports submitted through the TAA system. Each examinee should have only one TAA file, therefore it is important to check if a request has already been started or submitted by following these steps:

1. Log in to TAA.
2. Search for the examinee by entering the examinee's first name, last name and/or TAA PIN.
   
   **Tip:** You can also enter a partial first or last name.

3. Select the **Search** button. The results will display on screen.

   **Note:**
   - To help you further in locating the examinee you are searching for, you may sort the results by selecting any of the column headings, sorting the data into that order.
   - If you want to, you may select the Download Search Results button for that action.

4. Select the TAA PIN from the first column to complete or edit an examinee's request.

**Submit an “Action Required” Request**

A request that has a status of Action Required needs to be submitted to ACT.

1. Log in to TAA.

2. Scroll to the **Examinee** section.

3. Select **Status** in the top row of the table to bring Action Required requests to the top.

4. Select the blue TAA PIN for the request in the first column.

5. Complete the remaining sections of the request.

   **Note:** By checking the terms and conditions box on the screen (shown in step 6), and submitting the request, you agree to either administer, or arrange for the administration of, the ACT if the examinee is approved to test with accommodations and/or supports that must be administered via ACT’s Special Testing program.
6. Review the terms and conditions and then select the checkbox to acknowledge the following:

![Image](image.png)

**Request the Same Accommodations and/or English Learner Supports on a Future Administration of the ACT Test**

Examinees who are authorized for accommodations and/or supports on the ACT test may use their authorization to streamline a request for the same accommodations and/or English Learner (EL) supports on a future administration of the test, whether this is for National, Special, State, or District testing.

**Note:**
For State or District testing, the deadline listed on the program’s Schedule of Events applies. EL status is determined annually and for that reason EL supports on the ACT expire on July 31 of the current school year. For example, EL status for the 2021-2022 school year will correlate with EL supports on the ACT that expire on July 31, 2022. Once EL status is determined and documented for the following school year (e.g. Individual Score Report (ISR), Parent Notification), the updated documentation may be submitted for continuation of ACT EL supports eligibility. Thus, an ISR from Spring 2022 may be submitted now for previously authorized or expired EL supports to be extended through the 2022–2023 school year.

Examinees who are in monitor year 1 or year 2 status are proficient in English and do not qualify for EL Supports on the ACT.

Assign a New Test Administration in TAA

2. On the Home screen, locate an examinee by entering the examinee’s TAA PIN and/or name, then select the Search button.
3. Select the TAA PIN. The examinee’s Request History screen appears.

4. Review the associated test administrations. If the preferred test administration is associated, no further action is necessary. If the test administration is not associated, continue to step 5.
5. Select the correct test administration type (e.g., National) and test date from the drop-down menus.

6. Select the Assign Test Administration button.
7. Select the **OK** button when the "Confirmation" pop-up message appears. (The language for Special Testing is shown below as an example.)

**Confirmation**

By clicking ok below, I certify that if the examinee is approved to test through the Special Testing program during a National test window, I personally meet all of the requirements for the Special Testing coordinator as specified in the ACT Policies for ACT Special Testing and that I, or a designated qualified member of my staff as specified in the ACT Policies for ACT Special Testing, agree to administer tests in accordance to the policies and guidelines stated in the ACT Special Testing Administration Manual included with the test materials shipment. I will ensure to maintain security and confidentiality of all testing materials; materials will only be used for the examinee identified in this request and all materials will be returned to ACT within 24 hours upon completion of the test administration. I understand that by agreeing to be a Special Testing coordinator, I consent to the ACT Privacy Policy (http://www.act.org/content/act/en/privacypolicy.html), which is incorporated into these Policies for ACT Special Testing by reference, including consent to the collection of my personally identifying information and its subsequent use and disclosure.

**Reconsideration Requests**

**Reconsideration of Accommodations/Supports Not Approved**

ACT will reconsider requests for accommodations authorized by ACT or EL supports that were not initially approved. If you would like ACT to reconsider a request, you may use TAA to submit additional documentation.

**IMPORTANT:** Requests for reconsiderations must be submitted prior to the published late registration deadline. Decisions for requests submitted after the deadline may not be available in time for the preferred test administration. **TAA System Errors**

**Common Reasons for TAA System Errors**

TAA system errors may occur for several reasons. Below are common problems that may cause system error messages and information about how to resolve them.

- **Your bookmark to TAA may be out of date.** We sometimes make updates to the site that are necessary to display it correctly. In order to fix this issue, please go to success.act.org to reach our most recently updated version of the log in site.

- **Your Internet browser may be incompatible with scripting on the site.** We recommend using Google Chrome or Firefox whenever possible while using TAA. Internet Explorer is not supported.

- **Your browser may be trying to access information from a previous TAA session after the session has already timed out.** To fix this, please clear your browsing cache and cookies, then close the browser and re-open it. Opening an Incognito Tab in Google Chrome has the same effect.

- **Scripting on the site may be blocked by your Internet settings.** If this is the case, there will be a small shield icon in your address bar, which gives you a message stating that a script was blocked on this page for being potentially unsafe. If this occurs, please contact your local IT department for assistance.

If none of the above options work, we recommend calling 319.337.1332 for immediate assistance from one of our phone representatives.
