What Sets Tessaera Workforce Apart?

Beyond Self-Reporting

Our advanced assessment methodology yields more reliable, valid results than traditional self-reporting.

Simple to Deploy

Our online assessment tool is easy for employers to administer and requires no special or time-consuming preparation.

Actionable Feedback

Our reports are user friendly and the included Playbook recommends resources and strategies to support the development of essential skills.

Essential Skills are Critical to the Success of Your Organization

The best companies find ways to strengthen essential skills across their enterprise. The *ACT Tessaera Workforce Playbook* helps employees improve upon six important skills:

Integrity

Leadership

Work Ethic

Resilience

Collaboration

Creativity

Elevate your organization's skillset for the future—today.
