

Introducing a NEW tool to help you manage work-based learning and advisory boards!

The screenshot shows the Seamless WBL Teacher Dashboard. At the top, it says 'Teacher Dashboard' and has a user profile for 'Nick'. The dashboard features four main statistics: 15 Completed Activities (orange), 200 Upcoming Activities (green), 10 Advisory Boards (teal), and 250 Active Partners (teal). Below these are two main sections: 'List of Partners' and 'Activities Calendar'.

The 'Activities Calendar' shows September 2018. Key events include a '10:30 am Seminar' on Tuesday, September 17, and a '10:30 am Company V...' on Thursday, September 12. Another event is a '9:45 am Conference' on Friday, September 27.

If you're looking for an easy-to-use tool to manage your work-based learning and advisory board activities, then look no further than **Seamless WBL**, a new resource offered by the National Center for College and Career Transitions. Features include:

Employer Search Area

Educators have access to a searchable list of business contacts (populated by their schools) interested in participating in work-based learning initiatives.

Partner Management

Educators have their own partner management areas to keep track of employers as well as their work-based learning and advisory board commitments.

Advisory Board Manager

Helps educators manage advisory board membership, send meeting invitations with agendas and other documents, and a place to upload minutes and sign-in sheets.

Work-Based Learning Manager

Manage work-based learning activities from guest speakers to internships. Send invitations to employer partners with calendar links and document attachments, and allow invited students and employers to download and upload documents.

Resource Area

Seamless WBL provides document templates to help educators create high-quality WBL and advisory board experiences.

Employer and Student Portals

Employers and students have the ability to log in; students can review their activities and upload documents, while employers can review company listings, work-based learning activities, and advisory board engagements along with upload/download capabilities.

Reports

Educators and their administrators can run reports such as Partner Activity, WBL Initiatives by Type, and WBL Initiatives by Educator to get a real-time snapshot of work-based learning activity in the classroom, school, or district.

Pricing

Pricing is based on a school-wide annual subscription, with an annual subscription between \$500 to \$1500 per year depending on the number of students in the school.
